

PANO's Accreditation Transferred to NAMI Keystone Pennsylvania Following Transition to State Organization

In January 2014, NAMI Southwestern Pennsylvania was awarded the Seal of Excellence by the Pennsylvania Association of Nonprofit Organizations (PANO) for successfully completing the Standards for Excellence accreditation program. The designation followed a rigorous months-long review process conducted by PANO and a team of independent peer reviewers which included an evaluation of the organization's operations, work, and accomplishments. It was determined that NAMI demonstrated successful compliance in meeting the high standards set forth in PANO's *Standards for Excellence: An Ethics and Accountability Code for the Nonprofit Sector*.

"The Seal of Excellence is granted to well-managed, responsibly-governed organizations that are deserving of the public's trust," said Patricia Mogan, Standards for Excellence Officer for PANO.

In 2017, when NAMI Southwestern Pennsylvania transitioned into becoming the state organization under the name NAMI Keystone Pennsylvania, the Seal of Excellence transferred to the new organization.

"Achieving the Seal of Excellence as an affiliate showed we were a worthy partner at the regional level," said Christine Michaels, Chief Executive Officer of NAMI Keystone Pennsylvania. "Now that it carried over to our new state organization, we hope it will open more doors to relationship building and collaboration at the state level."
