VI. **Chief Executive Officer’s Report**
CEO Christine Michaels provided updates on OMHSAS Funding and Reaffiliation. NKPA submitted a work statement and budget in order to receive $125,000 in funding from OMHSAS. The budget stated that the funds would be used for education programs and a state conference. They are expected to be deposited in January and NKPA would have a year to spend the money. NKPA has been operating with no state funding since July. NKPA will still need to apply for normal fiscal-year funding. Ms. Michaels would like to schedule a special board meeting in January to discuss reaffiliation because the process is affecting NKPA in a negative way. She would like to prepare a report for the board that would focus on the impact that reaffiliation is having on the organization and staff. She would like the board meeting to be followed by a meeting with NAMI National. Ms. Michaels stated that because of the backlog with reaffiliating affiliates, there is no capacity to create new affiliates.
