2023 YOUTH MENTAL HEALTH LEADERSHIP AWARD ESSAY CONTEST

For the fourth year in a row, NAMI Keystone Pennsylvania will recognize a young person who is a change leader in the areas of mental health education and shifting conversations about mental health from negative to positive.

NAMI Keystone Pennsylvania's Youth Mental Health Leadership Award recognizes the passion and courage of young leaders who are committed to fighting the stigma of mental health conditions, providing a safe community for peers to share their own mental health experiences, and empowering peers through education.

To be eligible for the Youth Mental Health Leadership Award, the nominee must:

- be between the ages of 13 to 21;
- reside in Pennsylvania;
- have parental permission to submit their essay.

The winner will receive a \$500 scholarship and a commemorative award.

Essay Criteria

Please submit a typed, two-page, double-spaced essay that addresses the following:

- How have you incorporated your personal mental health journey, or the experience of a family member or friend living with a mental health condition, into your efforts to create positive change?
- In what ways have you encouraged and led peers in positively addressing mental health issues within your school and/or community? Please explain if you have been recognized for your achievements on a national, state, or local level.
- Describe an original program, a safe and supportive peer environment, or mental health education/awareness event that you have implemented in order to reduce the negative perceptions that often accompany those who live with mental health conditions.

The submission deadline is Friday, Jan. 6, 2023.

The award, along with all essays submitted, will be presented during NAMI Keystone PA's Child, Adolescent, and Transition Age Youth Mental Health Conference on Friday, February 10, 2023, at the Westin Pittsburgh. The award recipient will be asked to give brief remarks during the event. If the recipient cannot make it in person, NKPA will record a video message.
